```

The diagram illustrates a class hierarchy. At the top is a box labeled 'AsyncPropertyRequest'. Below it are two boxes: 'AsyncPropertyReply' on the left and 'AsyncSetPropertyRequest' on the right. A horizontal line connects the two bottom boxes, and a vertical arrow points from the center of this line up to the bottom of the 'AsyncPropertyRequest' box, indicating that both 'AsyncPropertyReply' and 'AsyncSetPropertyRequest' inherit from 'AsyncPropertyRequest'.
